

## TESTIMONIALS

“Premier Outdoor Environments, Inc. has been providing both our lawn maintenance and snow removal since 2009. They are extremely reliable and thorough with both services, but when snow removal and de-icing is a priority for employee safety, they really come through for us. This is what sets them apart from many other companies.”

*LS - Gibson Electric, Downers Grove IL*

“I actually gained business by Premier Outdoor Environments, Inc. taking such good care of our landscaping needs. A person came in off the street because our building looked so nice and the grass always looked groomed so well, that he said we must be a successful business.”

*MW - TW Group, Inc, Westmont IL*

“Following a thorough bidding process, we ultimately settled on Premier Outdoor Environments for our snow removal—and we have been very pleased with every aspect of the work. I highly recommend them for all of your snow removal needs. I am confident that you will quickly concur with my assessment that they are the #1 snow removal company in the area.”

*MD - Timothy Christian School, Elmhurst IL*

“Premier is a valued vendor for our community. Nathan, Matt and their crew are very efficient and provided us with a quality service.”

*CV - Royal York Homeowners Association, Elmhurst IL*

LAWN MAINTENANCE

SNOW REMOVAL

## LAWN MAINTENANCE

Premier Outdoor Environments, Inc. provides comprehensive landscape management services to a broad array of projects throughout the Chicago land area. Our customers include developers, property managers, commercial property owners, public agencies, homeowner associations and residential properties.

Our crews are highly trained in proper maintenance practices which not only provide a manicured appearance but also extend the life of your landscape investment. It is our job to build a strong working relationships with our clients based on trust, a thorough knowledge of the horticultural field, and outstanding service. Our supervisory teams fully understand that they are the outdoor 'eyes and ears' on the properties we maintain. We regularly provide upgrade proposals to repair normal wear and tear as well as ideas to enhance the properties image.

## Why should I choose Premier Outdoor Environments for our Snow Plowing and Deicing Services for the 2013-2014 Winter Season?

Winter can be one of the most challenging seasons in Chicago land... That's why we are on call 24 hours a day starting November 1st through April 30th. This also includes Christmas and New Years for whatever your weather challenge may be. Premier Outdoor Environments has partnered up with professional meteorologists in the area that use state of the art weather forecasting models. Combining these with our in-house radar we are ready to battle any storm that Mother Nature may bring us. We have back up equipment sitting inside our heated warehouse and a mechanic that is always on call. Premier Outdoor Environments exercises a zero tolerance policy requiring every site to be free and clear of any snow or ice. We always have a stock pile of bulk rock salt and plenty of pallets of bagged ice melt so we are never left stranded in a storm. We can assure you that we have the man power, equipment and materials to exceed your expectations 24/7.
